

The AGM of Milton Village Hall Management Committee took place on March 14th 2019 in Milton Village Hall.

The Chairman thanked all members of the committee for their hard work during the year, and the current officers and committee were re-elected.

The bookings Secretary reported that bookings for the year had been good, with the Hall being in use most weekday evenings and used at weekends for parties. Daytime during the week there are still some times available.

The Treasurer reported that booking receipts combined with fund raising events had enabled running costs to be covered and a £2,000 donation made to the Air Ambulance following a successful Open Gardens last year.
